EXAMINING THE EVIDENCE

The following is a summary of the well-documented information on the interlaced triangles, the Double Divinity, Macro cosmos or Jewish Star and the important elements, which bear relationship to our subject.

The FACTS are:

v The two interlaced triangles represent the sexual organs in the act of procreation, or spirit and matter in equilibrium. **Spirit** in the phallic cults is the **active-male principle**, (red +) the **Compass** in Freemasonry - while **matter** is the **passive-female principle** (blue -) the **Square** in Freemasonry. It is a symbolic representation of the sex force, or the New Age "sacred serpent" KUNDALINI and is a deliberate perversion of the pure Love of God.

v This very star was mentioned and condemned by the Father of our Lord Jesus in Amos 5:26 and it was called by Him, "the star of your god, Molech" (Baal). Reference to Amos 5:26 and the people having it in the form of an idol in the wilderness was also made in Acts 7:43. Here it was called the Star of Remphan. All these names refer to the phallic god Saturn or SATAN.

v The foregoing verifies that it was therefore in existence long before the time of Solomon. He took this symbol upon himself when he went into idolatry, and it became known as the "Seal (or mark) of Solomon" in all magic and witchcraft.

v It has proven, self-confessed links to universal Masonry, which is directed and totally controlled by the powerful Independent Order of the B'NAI BRITH (sons of the cut, or covenant).

v The "HEX" or Six-Pointed Star became the symbol of the SABBATARIANS the Jewish mystics of the Cabbala, and was knowingly adopted from these sources as the symbol for ZIONISM – Political Judaism.

v Judaism was a newly formalized belief system of the Pharisees, which arose in Babylon with the commitment of the oral "tradition of the elders" (of which Christ continually denounced) to writing after the destruction of the Temple in A.D. 70. Judaism is a man-made religion of Talmudic tradition and Cabbalistic occult superstition, which represents the institutionalised nullification of ALL Biblical law and doctrine. Judaism's God is NOT the God of the Bible, but the strange gods of the Talmud and the religious self-worship they inculcate.

v The first Babylonian power came into existence around 2600 B.C. This empire was subsequently overthrown by the Medes/Persians about 589 B.C. In recent excavations of Ur and Sumer, an Acadian seal was found depicting the descendants

of Seth, thrusting a seven-headed serpent with a spear - one of three symbols representing the old Babylonian Empire, which included the six-pointed star. (of Rephaim)

The illegal Jewish State of Israel was created by the UN on May 14, 1948, and intentionally adopted the occult symbol of the Six-Pointed Star (of Ashteroth or Astarte) which now adorns the Knesset (their Parliament) and today is proudly displayed on the Israeli flag and elsewhere, requiring overt Jewish Cabbalistic recognition. **Thus a deliberately pagan, occult symbol has become the international recognition mark for today's JEWS next to none of whom are Hebrews or Israelites descended from Abraham, Isaac or Jacob.** Even less follow the Biblical Law and the prophets, that have long been supplanted by the lewd and blasphemous TALMUD.

A typical example of arrogant Jewish "chutzpah" and outright blasphemy, can be seen in the following unbelievable quotes: *"A Jew, by the fact that he belongs to the chosen people and is circumcised, possesses so great a dignity that no one, not even an angel, can share equality with him. In fact, he is considered almost the equal of God."* (Pranaitis, I.B., *The Talmud Unmasked, Imperial Academy of Sciences, St. Petersburg, Russia, 1892, p. 60*).

The commands of the rabbis are more important than the commands of the Bible. Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell. Auburn 21b (p. 149-150)

A rabbi debates God and defeats Him. God admits the rabbi won the debate. Baba Mezia 59b. (p. 353.

THE HEX AND THE NUMBER SIX

According to **Hindu** belief, the Sixth "Chakra" (Third Eye Chakra), is the centre of inner sight - it controls clairvoyance and mental activity. The colour related to this chakra is **INDIGO**, a combination of **red** and **blue**, or the interaction of **Spirit** and **Matter** as depicted by the hexagram. Incidentally, the third eye chakra is located in the centre of the forehead.

The number 6 was stamped all over the old mysteries. The great "secret symbol" consisted of the three letters SSS, because the letter S in the Greek alphabet was the symbol of the figure 6. Alpha=1, Beta=2, Gamma=3, Delta=4, Epsilon=5, but when it came to 6, another letter was introduced! Not the next - the sixth letter *Zeta*, but a different letter, a peculiar form of S, called "*stigma*," or the so-called "serpent letter," where the serpent was always displayed in the pagan arts as an emblem of the Sun god.

What is also interesting here is that the Dollar sign, (\$) is in fact a disguised triple S form, sometimes written as SSS, or \$.

From the "*Theosophical Society's Glossary of Definitions*" comes this for the letter S: "**S - The nineteenth letter; numerically, sixty. In Hebrew it is the fifteenth letter, Samech, held as holy because "the sacred name of god is Samech"** Samech is just one of the many names for the Jewish (Sun) god of the Cabbala.

Now the word *stigma*, means a *mark*, according to Strong's definition: "*A mark pricked in or branded upon the body. To ancient oriental usage, slaves and soldiers bore the name or the stamp of their master or commander branded or pricked (cut) into their bodies to indicate what master or general they belonged to, and there were even some devotee's who stamped themselves in this way with the token of their gods.*" Hence *stigma* came to be used of *scars* or *wound-prints*, and it is thus used by Paul of his scars, which he regarded as the tokens of his

sufferings, a reminder of the marks which he bore on his body for the sake of his Lord and Master, and marking him as belonging to the one who had bought him (Gal 6:17).

Also the term or word HEX, designates a witch’s spell, which has a long historical association with the connotation of the number six. The Greek *hex*, and the Latin *sex* cognate with the Egyptian *seven*, "*to embrace, to copulate.*" The number 6 is also associated with Venus, the goddess of love and earthly passion. Six almost universally represented the number of sex - of the union between the **male** and **female**, which is why Christian authorities labelled six "*the number of sin.*" Pythagoreans, on the other hand, called six the perfect number, or The Mother. One of its Egyptian forms *seshemu*, - "*sexual intercourse*" – illustrated in a variety of hieroglyphics of male and female genitals in conjunction, is always represented by the two interlaced triangles or pictographically hidden as the Square and Compass in freemasonry and similarly shown in many other ways for a host of other sects.

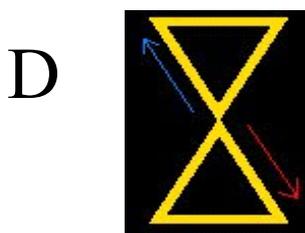

The entire body of mysticism of the Cabbala is hidden within the HEX!

In countless passages throughout the Bible, the number six has always been associated with imperfection and represents Godless, carnal man. It is the number of a man that is destitute of God, the man who is knowingly without Christ, or one who is an avowed anti-Christ. **666, symbolises the attempt by the ultimate, sinful man – SATAN, ever wishing to become GOD.** So then, the Antichrist would have the triple imperfection, in his religious, political and social dimensions, symbolising the climax of the ultimate representation of man's total and complete failure, depravity and wickedness. *“How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High.”*(Isaiah 14:12-14) *“Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, showing himself that he is God.”* (2 Thess.2:4)

Most importantly, **the Hexagram is also a clever, graphic form of 666 - a feature that uniquely belongs to this symbol and none other.** It is used extensively by a variety of Black Magic, Witchcraft and New Age, so-called “channelling” (occult) groups for the invocation and/or the conjuring up of demons. As a pictographic emblem, (a) the six-pointed star, contains a six, within a six, within a six. (Count the sides of each triangle facing the clockwise direction, the sides facing the counter-clockwise direction, and the third six - the sides of the inner hexagon).

inner hexagon).

- A The Hexagram of Earth (Fire and Water triangles interlocked)
- B The Hexagram of Air (Fire triangle over Water triangle)
- C The Hexagram of Water (Water triangle over Fire triangle)
- D The Hexagram of Fire (Two Fire triangles interlocked)

Further, in his classic work, *“The History of Magick”* the avowed Talmudist and revered French Cabbalistic sage Eliphas Levi, much quoted by Albert Pike in *“Morals and Dogma,”* reveals that the most significant graphic representation of the number 6 is when a common (EARTH) Hexagram (a) is represented with a common base, forming a diamond – AIR (b).

Or alternatively when their tips touch forming an hourglass shape – WATER (c). Or a partial overlap, with the base of the upper, passing through the upper one-third point of the lower – FIRE (d). If we look again at a standard six pointer, we have all three sets of external triangles connected by their apexes. Also, by connecting all the internal opposite points within the internal hexagon thus formed, alas we find one pair of triangles with their tips touching and two pairs with common base-lines. A multiple representation of 666 only to...*“him that hath understanding that can CALCULATE the number”*

From the *“Roots of Scientology”* by 4-EX SCIENTOLOGISTS comes this emblematic representation of the number 6 as in (d) above. *“The “S and double triangle” motif of Scientology's main symbol probably derives from the black magic use of the snake symbol (the “wise serpent” or Satan) combined with a deconstruction into two triangles of the Star of David (rather like the reverse ritual of hanging the Christian cross upside down to signify devil worship). This symbol - the magical hexagram - was used by Hubbard and Parsons during their attempts at incarnating the Antichrist in human form.”*

HARRY POTTER AND WITCHCRAFT

The truth of the satanic nature of the Harry Potter series can be easily seen by anyone who is reasonably familiar with basic occult principles. In these books, we see standard Judeo-Masonic beliefs and practices being openly taught to children. The author, J.K. Rowling, has publicly stated that she intended for her Harry Potter books to be read by children approximately 10 years and up. Yet the books are wildly popular amongst children as young as age 5 - and perhaps even younger. For five years the author worked on the first book as she plotted out the entire seven-novel series, one for each year of Harry's education at Hogwarts School of Witchcraft and Wizardry.

We indeed see standard Witchcraft philosophies and world views espoused, together with occult beliefs about death and reincarnation, including the current "morality" teaching that there is no absolute right or wrong, that the "ends justify the means" - teachings straight from the pages of the Babylonian Talmud.

But as wild as children seem to be about Harry, no one is happier about the phenomenon than the old-school Satanists, who were struggling to recruit new members prior to the publication of the first Potter book in 1997. *“Harry in an absolute godsend to our cause,”* said High Priest “Egan” of the First Church of Satan in Salem, MA. *“An organization like ours thrives on new blood - no pun intended - and we've had more applicants than we can handle lately.”* In 1995, it was estimated that some 100,000 Americans, mostly adults, were involved in devil-worship of some sort. Today, more than 14 million children alone belong to the Church of Satan, thanks largely to the unassuming boy wizard from 4 Privet Drive. Yes, the numbers ARE horrific, but the total sales of Harry Potter books, plus the natural hand-me-down factor where many people read a book that has already been purchased, easily equals or exceeds this staggering figure of 14 million.

But, most horribly, we see depictions of Satanism that are truly the end of this age. We notice the evil Voldemort drinking the blood of the Unicorn. Not only is drinking of blood forbidden in Scripture, but Satanists do it consistently. Further, this drinking of the blood of the unicorn, (a symbol of the New Age Movement) delivers a very strong message as to how people will relate to and ultimately accept the machinations of the coming Antichrist.

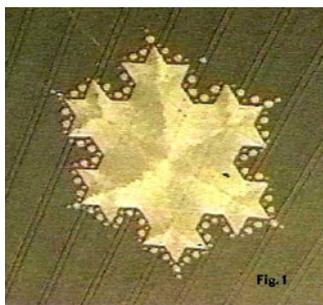

The "Sorcerer's Stone" is also called the "Philosopher's Stone", and is purely Cabbalistic in nature. Rosicrucianism as an example, teaches that an Initiate will pass through five stages to become the highest Adept possible, to be most proficient in exercising the power of Satanism. They call this process the "Five Stages In The Transmutation of the Soul." The final stage is depicted by the Phoenix Bird; the Adept is then said to have achieved the "Sorcerer's Stone." Thus, the fact that the term "Sorcerer's Stone" is

the main title of the fifth book in this series, (and now a highly acclaimed movie) suggests that the ultimate goal of all students at Hogwarts is to achieve the holy Grail of the Sorcerer's Stone.

Alchemy, as it emerged in the middle ages, had its origins in the Hermetic sciences that stemmed from the esoteric wisdom of ancient Egypt. The ancient Egyptian name for their land was Kemet, from which we get the words Chemistry and Alchemy. In Alchemy the sun and the moon expressed archetypal principles, which, when united, symbolized the harmonious relationship between the masculine and feminine elements. This is represented by the **HEXAGRAM**. Alchemy has long been an Illuminist obsession, however most people think of Alchemy as being the effort to change base metals into precious metals, including gold. Certainly, this is part of alchemy, but on a non-spiritual and purely physical level. The ultimate goal of the Alchemist however, is to achieve eternal life through self-transformation. Therefore, we find it highly interesting that Headmaster Dumbledore is considered "the greatest wizard of modern times." Dumbledore is particularly famous for his defeat of the dark wizard Grindelwald in 1945, for the discovery of the twelve uses of the dragon's blood and his work on alchemy.

The book "The Sorcerer's Stone," is the final stage in the occult drive to achieve eternal life. In this volume, the ancient study of alchemy is concerned with making the Sorcerer's Stone, a legendary substance with astonishing powers. The stone will transform any metal into pure gold. It also produces the Elixir of Life, which will make the drinker immortal. It's also very interesting that Rowling has made the creator of the Sorcerer's Stone 666 years old? As we have seen many times in this study, 666 is synonymous with antichrist and his Mark. [Revelation 13:18] And since Rowling ties this number to the Elixir of Life, Harry Potter is clearly teaching children that the way to achieve eternal life is to obey the antichrist and take his Mark.

Here we include an interesting and revealing extract from respected New Age Guru, Kris Sherwood's non-fiction work called: "*The Philosophers Stone.*" "***The Philosopher's Stone is an ancient symbol that originates in the roots of Hermetic philosophy and the alchemical arts. It is a metaphorical symbol of ultimate accomplishment. It represents the reward to the quest for a 'higher purpose'; an allegorical concept of refinement of an element to its perfection. And as such, to the medieval alchemist it was the catalyst in the long sought after magical process that could trans-***

mute lead into gold, and its resultant reward: The Philosopher's Stone. In a spiritual sense, attaining The Philosopher's Stone is a metaphor for ones' personal evolution toward perfection of the soul. It is the prize for achieving spiritual enlightenment. It's the 'coming forth as gold'; the 'pearl of great price'; being one with Cosmic Consciousness; having undeniable personal experience of God. A graphic image found in alchemical manuscripts of the Philosopher's Stone is that of a six-pointed star which In 1997, breathtakingly presented (as a perfectly formed crop-circle) at the foot of Silbury Hill (Fig. 1). It was the magnificent 'Fractal Star of David' A glorious confirmation of our collective move toward higher consciousness. The 'Snowflake' formations

not only looked remarkably like the grid of lines forming the alignment of the GaiaMind astrological chart posted on my wall: they also contained the multiple and ancient symbolic references and meanings of the six-pointed star/hexagram, including: the two opposing overlaid triangles that are the archetypal representation of the 'sacred union' of male and female principles, the hieros gamos, the 'chalice and the blade'; to alchemists fire and water; also the Yin/Yang; the spinning double tetrahedra of the known symbol of the Creator."

"This Star is the symbol of the perfect life, the perfect balance, of the Christ-man. The six-pointed star is the Star of Bethlehem, which again means the Star of the Son of man."
GaiaMind

The official definition from the "*Hermetic Order of the Golden Dawn*." *Stone of the Philosophers*: "A symbol of true spiritual attainment and illumination. The search for the Philosopher's Stone is the search for ultimate truth and purity. The transmutation of humanity's lower nature into the Higher Self."

In the "Key to the Gnosis" by Nick Sandberg, we have yet another explanation of the Philosophers Stone as something truly desirable in man's search for the ultimate "enlightenment": "*The ancient science of alchemy purports to relate the process by which an individual may acquire the ultimate "Elixir of Life" - a magical potion believed to confer on the user both access to superconsciousness and, eventually, physical immortality. This Elixir, flows from the Philosopher's Stone, once the former has been confected by means of an elaborate and highly mystical process. An increasingly open secret amongst those who still interest themselves in this ancient art is that the processes described are largely metaphorical. All of initial elements that need to be gathered together - the various implements and reagents - are in fact esoteric disciplines that the initiate must undertake in order that he prepare his body to produce the fabled Elixir.*"

JESUS CHRIST - THE SIX POINTED STAR

The key to this ultimate deception in the never-ending propaganda war for the souls of men through the taking of the Mark, is in the Christianizing of Judeo-Masonic/occult symbolism. An example of this perversion is in the depiction of the "Jewish Star" (the interlaced triangles) as a representation of Jesus Christ – the ultimate blasphemy!

Some random examples of typical fuzzy, church-establishment logic, generally believed by their blinded Judaized sheeple within, can be seen from the following random quotes taken recently from the web. The first is a classic from Rick Chamberlin, where he asks a pre-answered question; "Is the Star of David Kosher?" "*Yeshua said, "I am the root and the offspring of David, the bright and morning star." Perhaps, just perhaps, the Star of David represents not only Israel and the Jewish people, but even the Messiah Yeshua. After Yeshua's birth in Bethlehem, some wise men [magi] arrived from the east in Jerusalem saying, Where is He who has been born king of the Jews? For we saw His star in the east, and have come to worship Him." These wise men were aware of the prophecy of Balaam in Numbers 24. Could it be that they saw the Star of David?"* Another classic case of the inability to correctly distinguish between the terms "Israel" and "The Jews."

From "The Archetypal Mandala of the Star of David" by Margaret Starbird, comes something a little closer to the truth: "*The mandala of the hexagram, also known as the "Star of David" is an archetypal symbol for the sacred union of the opposite energies, it is the "yin-yang" of Western civilization. Formed by the intertwining of the "fire" and "water" triangles (the male "blade" and the female "chalice") this symbol represents the masculine and feminine principles in perfect union, the "sacred marriage" or "hieros gamos" of the ancient world. The Jewish Cabbala suggests that the Ark of the Covenant contains, in addition to the tables of the Ten Commandments, "a regular hexagram representing a man and woman in intimate*

embrace. Since "Sacred Union" is the source of all life on this planet, the six-pointed star uniting the archetypal male and female triangles has long been acknowledged as the model for balance and wholeness. Medieval Alchemists called the Star the "Philosopher's stone," adding a tiny dot on the upper right hand point to represent the presence of God and guidance of the Divine Spirit. It is the "missing link" of the sacred marriage between Christianity and Judaism. It's rising now to bless and enlighten us, and is truly a gift for all peoples!"

Quote number three – with a slightly different emphasis: *"The Star of David is made up of two equilateral triangles. One triangle is pointing down, and the other triangle is pointing up. The triangle that is pointing down is God's triangle and represents the trinity of Soul, Body, and Spirit, or God the Father, God the Son, and God the Holy Spirit reaching down to man. The triangle that is pointing up is man's triangle and also represents the trinity of Soul, Body, and Spirit, but of man reaching up to God. - The Star of David is also the symbol that fully represents the spiritual intercourse referenced in John chapter 17 where Jesus Christ is in God, man is in Jesus Christ, and thereby man is in God through Jesus Christ. The symbol for the Messiah, the Greatest King, or King of Kings; who would come from the lineage of David, who would be fully God and also fully man throughout eternity can only be Jesus the Christ - the God/Man. The Star of David is and can only be the symbol for Jesus Christ."*

Quote number four – the standard "New Age" version: *"The six-pointed star, the Star of David, has been the symbol of Judaism and the Jewish culture for ages. The meaning of this symbol can be interpreted in various ways. In light of the revelations contained within The Aquarian Gospel, I present the following interpretation of the symbolic meaning of the six-pointed star: God is Truth. He has three attributes: Strength, Wisdom and Love. An appropriate symbol for God is a triangle. What better way to symbolize God than with a simple, equilateral triangle, standing upright? Structural experts say the equilateral triangle is the strongest shape. Wisdom and Love stand on the foundation of Strength. A triangle is simple and uncomplicated, as is God. He is pure strength, pure wisdom and pure love. Master teachers tell us that Man has God's image within his soul, but that Man fell from his position, because he strayed, by disobeying His Father's command not to bite into the apple (of physical pleasure). Masters also tell us that Man, in his fallen condition, is Truth reversed. What better way to symbolize Man than by a triangle identical to that of God, but inverse: upside down? If we overlay these two triangles, we have a six-pointed star, the Star of David. This overlay symbolizes that God, forever upright, never abandons His fallen Children, but remains linked to Mankind, in an ever-present pose of upright Truth. He stands silently upright, waiting for Man to right himself. What better way to symbolize the religion and the culture chosen by God to deliver to the world His message of Salvation than by the Star of David? And, what better way to symbolize the imminent reunification of Judaism and Christianity than with the Star of David, combined with the cross of Christ standing firmly upright, upon the foundation of strength, enclosed by wisdom and Love?"*

When asked in Luke 21:25 for what sign would mark the "Great Tribulation," Christ replies, *"there shall be signs in the sun, the moon and the stars."* From *"The Alpha and the Omega,"* by Jim A. Cornwell – chapter 6, *"The Star Of Bethlehem and Coma Berenices"* *"The birth, life and death of Jesus Christ had been prophesied centuries earlier. Around the year 4 B.C., according to the astrological records of the Qumran Priests, of an ancient village of Palestine on the north-western shore of the Dead Sea in the West Bank east of Jerusalem and noted for the caves in which the Dead Sea Scrolls were found. They recorded that a comet produced a heavenly spectacle, and there was a fiery conjunction of several planets in the zodiacal sign of Pisces. Naturally this could have been simply assumed as the Star of Bethlehem. It is significant that the Babylonian Ideograph or a graphic symbol for 'star' was the same as for 'God,' although for 'God' it was repeated three times stressing the close link between the gods and the stars. In most cuneiform inscriptions and hieroglyphics it is well established that the sign for God was always a star."*

To the adepts, the Star of David is a potent symbol of the interaction of the Divine with the mortal, of god (Satan) with Humankind. Ancient Astrologers have always held that the Macrocosm (Six Pointed Star) reflects the Microcosm (Five Pointed Star). Where the smallest particle of reality mirrors the design of the largest particle of reality. Electrons for example, spinning around the nucleus of the atom bears a striking resemblance to the planets spinning around the Sun.

Yet another New Age website explains that the Star of Bethlehem was a planetary configuration which formed a Star of David upon a Cross. It postulates that this heavenly sign, which involves the esoteric knowledge of sacred geometry, was only observed by the magi who were astrologers or high adepts in the mystery schools of Babylon. Can you now see where it's all heading? *For more info ref: [The Astroarchaeological Star of Bethlehem](#)*

THE PENTAGRAM/HEXAGRAM CONNECTION

We are continually admonished by our gracious God and Father of our Lord Jesus Christ to “be wise as serpents, yet innocent as doves,” and it is for this reason that I tend to labour on certain important issues. We **MUST** understand basic occult principles so as to be able to adequately defend and reinforce our own “rightly divided” Christian Truth, and know **WHY** we reject the subtle and clever satanic counterfeit from the father of all lies.

In both the western and eastern esoteric traditions, natural/Achetypal man is viewed as the so-called “Pentagram of the elements,” as a being with five limbs, and five basic forces composing his being. These are the traditional elements of **fire, water, air, earth,** and *spirit*. The *spirit* aspect can either be directed towards the sexual forces symbolized by the inverse pentagram, or Satanism – Black Magic, or it can be directed towards the *spiritual* realms, those of White Magic. Man can become developed to the degree that the *spirit* (defined as the *consciousness* aspect) can be directed to either the sexual or the *spiritual* side at will, or to both at the same time. When a man attains this degree of “balanced development,” he **becomes the Hexagram** (or the *Yin/Yang* in the eastern tradition). The sexual organs either male or female become the crucial sixth part, which is *missing* in the Pentagram.

According to an official [WICCA](#) Website, the Pentagram - or Five-Pointed Star, . *“is a familiar symbol of Paganism, occultism, and witchcraft. In America it is always portrayed with a single point upwards, because with two points upward, it is a symbol used by American Satanists. In Britain, two-points-upwards used to be the symbol of the Wiccan Second Degree; British Satanists have always used the inverted crucifix. But many British Wiccans are abandoning the two-points-upward Second Degree symbol as communication with American Pagans increases.”*

From the “Gnostic Order and Temple of [Satanas](#) “– The official European Website of the International Grand Lodge and the European Grand Lodge, comes this very interesting explanation for Satanism, keeping in mind that the Hexagram, in the form as we know it, is called the “**Earth Hexagram.**” *“Satanism is a religion based upon the earthly needs of the individual. It realizes mans need to express himself in the form of religion. It therefore makes existence itself that very religion. The practitioner of Satanic Magick understands that without earthly power he is at a serious disadvantage. It is the here and now that concerns him. He is upon this earth, and upon this earth, he must live. Very few scholars will argue that Satan is the “Lord of the earth”. It is he that holds material wealth in his hands. The Christian is swayed from material and earthly goods by their God for this very reason. For, a taste of success would deter them from the bond of slavery that is characteristic of the Christian Gnosis. When performing Satanic Magick, you are establishing your own godhead by the identity of yourself with the central source of power. You invoke the energy that we call Lord of the Earth, therefore becoming that energy and in the name of that force manifesting the will from the elemental powers that you have raised.”* The last paragraph especially is esoteric Mumbo-

Jumbo for “demonization,” - pure and simple. Eventually leading to possession of body, soul and spirit and that of the total destruction of the individual by self-induced satanic forces, or evil spirits.

From the official Church Of Satan website, comes this clear explanation of the “Hexagram of Satan.” *“It is a representation of “As Above, So Below,” or the materialization of the Satanist’s Will upon the black earth, as drawn from desire and ether. Macrocosm (The Satan Force) & Microcosm (The Self) combined as one. The All-One. Crowned with the Torch of Reason and Enlightenment, with the base representation of the Pentagram upon the forehead, which may symbolize “The Evil Eye.”*”

Note carefully the “Torch of Illumination” on the forehead of the “hex goat,” in the “seeing eye” portion of the upper triangle.

Someone else who regularly converses with his “inner guides” is occultist and spiritist Benjamin Rowe. From his *“The Beast and the Star – A Vision of the Abyss”* comes this: *“At the time these visions began, I was meditating on the sexual process in human beings, specifically on the subjective aspects of the act as it is experienced by the two sexes. It suddenly came to me that there is a progressive development in man from being the pentagram to being the hexagram. Natural man is viewed as the pentagram of the elements, as a being with five limbs, and five basic forces composing his being. These are the traditional elements of fire, air, water; earth, and spirit. The spirit aspect can either be directed towards the sexual forces (symbolized by the inverse pentagram) or it can be directed towards the spiritual realms. It was shown to me that Man can become developed to the degree that the spirit (defined as the consciousness aspect) can be directed to either the sexual or the spiritual side at will, or to both at the same time. When a man attains this degree of development, he becomes the hexagram. The sexual organs. male or female. become the sixth point which is missing in the pentagram.”*

This is the counterfeit of the Biblical “Mystery of Redemption” and of the “Great Work,” the Uniting of the Microcosm and the Macrocosm - Man united with the “god of this world.”

THE ALEISTER CROWLEY CONNECTION

Aleister Crowley, is surely the most famous Satanist and black magician of the twentieth-century, where he considered himself to be the avatar of the “Age of Horus”. So debased and foul was this demonised monster that he was once dubbed the most evil man in the world and was even called a “beast” by his own mother. Crowley is significant here because his ideology and OTO organization is considered to be the root and mother cult responsible for birthing classical and neo-Satanism into the U.S. and throughout the western world.

From the Ordo Antichristianus Illuminati a supporting member of the Aleister Crowley Foundation, comes this: *“The O·A·I·is a Spiritual Order seeking to establish a Universal Religion that is dedicated to the total freedom of every individual and is therefore the antithesis of Christianity as a religious institution . . . Members of the*

O·A·I· are religious adherents of the “Gnostic Christ” or the Sun of Light, Life, Love and Liberty.” . . . “The Magical Symbol of the Adept is the Sixfold Star or Unicursal Hexagram, also called the Holy Hexagram of the Beast 666, which is a symbol of the One Path of the Sun, and of the Macrocosm or Greater Universe (God). It also indicates the Union of the Phallos and Kteis, and the Sacred Product of their Holy Union, which we call Our Lapis Philosophorum, the Stone of the Philosophers. The Hexagram is a perfect geometrical symbol of the

Stone of the Philosophers, also called Lapis Mercurius, the Stone of Mercury. Ergo, it is a symbol of what we call “the Mystery of Mysteries” and “the Secret of Secrets”, which is also symbolised by Baphomet, and the Hermetic Androgyne or Hermaphrodite who is the Mercury of the Sages.”

The Unicursal Hexagram (shown above) is of fairly recent European origin and is known by Wiccans as the “Psychic Star.” It is a representation of the New (Aquarian) Age and the so-called “energies of the earth and the universal spirit consciousness.” **This is the “Initiates” hexagram or Crowley’s “Hexagram of the Beast 666,” the ultimate union of the Microcosm with the Macrocosm – a representation of the truly “Illuminised Man.”**

THE WORLD CHURCH

In the “*Search for Truth*” by occultist Steve Gamble, we can see how Universal Spiritualism will ultimately unite the whole world under a Luciferian Confederacy by the syncretising of the world’s religions. *“In Cabbalistic Teachings, the Ascended Masters have generally been the founders of religions, such as Hermes Trismegistus, Buddha, Zoroaster, Moses and Jesus for example. In Hebrew they are known as the Ishim who form a brotherhood to watch over mankind. In Catholicism they are known as the Communion of Saints, or, as they are called in Judaism, the Community of Israel. They are religiously known as an Assembly of Glorified Souls. It is this Assembly that has introduced into the world the knowledge in different symbols and rites of the world’s religions. Is this the true White Brotherhood in the Cabbalistic Tradition we see in many spiritual teachings today?”*

Why would so many Christian martyrs willingly die, mostly in terrible agony, in order to proclaim one of the many alternative ways to God? It is patently obvious that Christianity does not accept religious syncretism, simply because of the many exclusive statements made by its founder such as, *“I am the way, the truth and the life. NO ONE comes to the Father except through me” (John 14,6)*. Liar, Lunatic or Lord – YOU CHOOSE, because it doesn’t get much clearer than that! Spiritual truth is not, nor ever has been a matter of *both-and* (both Christianity and other religions) but rather one of, *either-or*. **World religions simply cannot all be equally true. This is deception at its best!**

A DECEITFUL DEVIL

Christianity in its theological evolution has followed the same tragic road as the early Pharisees in its tendency to elevate tradition to a position of authority equal to or greater than Scripture. As a glaring example, the Roman Catholic Church has its own untouchable and sacred body of tradition that functions in a similar way to that of the Jewish Talmud: it is THE standard by which Scripture is to be interpreted. Thereby, subjective tradition AGAIN supplants the voice of Scripture as secondary, and thus nullifies God’s spoken Word. No man, no church, no religious authority has any warrant from God to augment the inspired Word of Scripture, or to alter the plain sense of it by its subjection to the rigors of a "traditional" meaning not found in the Word itself. The Bible as the inspired Word is to be interpreted supernaturally through the agency of the Holy Spirit, by one that has entered into a dynamic relationship with their Saviour and Lord. Satan understands this well and cleverly emulates a complete counterfeit with an almost equal supernatural brilliance through “another spirit” - his obliging horde of doctrinal demons.

The Lord Jesus placed heavy emphasis on the incredibly deceitful nature of the devil. In one of His many confrontations with the Pharisees, our Lord declared that their inability to recognise the truth was due to the fact that they were clearly OF the devil. *“Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.” (John 8:44)*.

Dr. William Hendriksen comments: (The Gospel of John, Baker, p.61) *“The devil, then, is the very wellspring of lies, the creator of falsehoods When he lies, he is the original. When he does not lie (Acts 16:16,17), he quotes or even plagiarizes; but even then he gives the borrowed words a false setting in order to create an illusion. He ever strives to lie and to deceive, and this he does in order to murder.”*

By deluding himself into believing that he could claim a position of equality with the Most High, Satan fell from his position of high honour. He became the "Father of Lies," depending on a web of self-deceit and illusion to maintain his ultimate fantasy of equality with God. By claiming this equality, the devil is forced to lie to himself and about every aspect of reality. His rebellion has locked him into an irrational posture in which he desperately denies the evidence of his own hopelessness and meaninglessness as a mere created being.

SELF THE PRIORITY

The devil's position is the same as that of an extremely self-centred individual who clings to an unrealistic view of himself. For example, an egotistical person who thinks they have a great singing voice will not accept any help or constructive criticism that implies the contrary. Rather than admitting the possibility that they might be wrong in their very subjective estimate of their own ability, they will tend to associate only with people who sympathize and encourage them in their self-delusion. The psychological term for such irrational willfulness is *narcissism*, and we are all aware of people who to a greater or lesser degree exhibit this tendency. However most people eventually accept reality, (however painful that may be) or they defy it by either withdrawing into their own inner world, or **they attempt to reconstruct reality so that it fits their false ideas.**

This is somewhat similar to people who are caught up in various cults and other forms of group doctrinal deception. This form of bondage is what I would term “Spellbinding,” that of being spiritually enslaved by demonic forces whose job it is to continually maintain the lie that the rest of the Battalion is always out of step with the one and only true soldier – them!

The devil is the ultimate narcissist and has the added advantage like none other, in the power to supernaturally bind the minds of men to himself. He is powerful and wilful enough to attempt to reconstruct all of God's perfectly created reality in order to keep his false sense of self-importance. Satan does not deceive others in a manner of one who knows the truth and merely seeks to mislead. Satan lies because his own considerable intelligence has been utterly darkened by his perverted will. He is the "Father of Lies" because he has deluded himself and wilfully persists in his own self-delusions.

DIVERSION FROM REALITY

Satan’s scheme is to constantly divert us from Biblical reality into HIS version. And since Jesus openly claimed amongst other things that Truth was the embodiment of Him, then it stands to reason that any dilution of truth, no matter how seemingly insignificant, means a lesser and lesser appropriation of Christ and a tendency to gradually slide in the direction of the enemy. The adversary achieves this deliberately and subtly, taking whatever time and means are necessary to snare the unsuspecting to substitute palatable lies, for at times - unpalatable truths.

Imagine now if you will, this highly intelligent and invisible fallen angel of Satan, a malignant creature, the Bible describes as full of wisdom and beauty that has existed since before the dawn of time, together with his myriad of loyal accomplices that have directed the affairs of carnal man

since the beginning of recorded history. Down through the centuries the Evil One has influenced countless Kings, raised and destroyed great empires, placed his corrupting mark on every known culture in the world and is primarily responsible for sending countless billions to a Christless eternity! This then is our adversary and we are absolutely no match for him, without the protection available to us through a continual and abiding faith IN CHRIST and by the *continuous application* of the truth of His Word in our lives.

THE MARK OF SATAN

The wrongly so-called “Star of David,” is a many faceted form of six hundred, three score and six and is the MARK OF SATAN. It has been and is currently the insignia of the Globalists/Cabbalists, including The Rothschilds and a myriad of others which has consistently represented pure occultism (the deliberate negation of all things Biblical) throughout history. One’s alignment with this evil system, even in blissful ignorance, is deemed a form of worship, and as the Bible so often warns, **any reverence of Satan by whatever means, even by default, is of little excuse when trembling and pleading ignorance before an angry God that has clearly shouted his warning to us long in advance.**

There will be many that are deceived through a miraculous “signs and wonders” event that will come upon the whole world at the appropriate time. Great pressure will be applied on all to conform with the new system - with stark alternatives indeed to those who refuse. Almost all will be coerced to give in and cooperate with the coming socio/economic, military/spiritual system, which will emerge as the final world SUPER POWER! Chapters 7 and 11 of Daniel, Matthew 24 and the book of Revelation describe multitudes that will be slain for refusing the mark, number and/or name of the Beast. In fact, assorted New Agers have estimated that millions will be eradicated to “purify” the human race. However, in Matthew 24:22a, Jesus states that after the Abomination of Desolation stands in the Holy Place, ***“And except those days be shortened, there should no flesh be saved . . . :”***

According to reliable sources, a "**Grand Hexagram**" celestial pattern occurred 30-36 hours before the discovery of the Hale-Bopp comet, a sign of which contributed to the mass suicides of the recent “Heaven's Gate” cult. These and the 70’s “Jim Jones” and the many other religious cult suicides, were but microcosms of the outcome of a global Luciferic initiation. Current testimonies abound of near-death experiences, which invariably describe an encounter with a Being of Light who sends reluctant souls back to earth to assure others that there is no judgment after death. New views of death are being formed through the corroboration of stories of a benign Judge and blissful afterlife. Theosophist, Alice Bailey, even called Death; “The Great Adventure” and comforts future victims of this strong delusion with these words: ***“Our ideas about death have been erroneous; we have looked upon it as the great and ultimate terror, whereas in reality it is the great escape... it marks a definite transition from one state of consciousness into another...This, our present cycle, is the end of the age, and the next two hundred years will see the abolition of death, as we now understand that great transition, and the establishing of the fact of the souls existence...”***

Rather than the abolition of death, Revelation 21:8 states that those whose names are not written in the Lamb's Book of Life will experience two deaths: ***“But the fearful, and unbelieving, and abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars shall have their part in the lake which burneth with fire and brimstone: which is the second death.”***

The TRUTH is that the second death is abolished only for those who have acknowledged their lack of righteousness and complete wretchedness, and have humbly trusted fully the merits of the genuine Saviour of men. To these alone is offered **THE HOPE** of union with Christ, as Matthew Henry has expressed so beautifully: ***“Our Lord Jesus is our Redeemer, our everlasting Redeemer; he looked with compassion on the deplorable state of fallen mankind...at a vast expense he redeemed the heavenly inheritance for us, which by sin was forfeited into the***

hands of Divine justice, and which we could never have been able to redeem. He purchased a peculiar people, whom he would espouse to himself though strangers and foreigners. Though he was rich, yet for our sakes he became poor; but he was abundantly recompensed by his Father, who, because he thus humbled himself, hath highly exalted him, and given him a name above every name. To this union Christ invites the perishing sinner. This relation to the poor, despised believer, he avows and glories in."

It is the reward of a cruel god (Satan) who continually deceives his worshipers into believing that divine truth can never be acquired in this life. Diabolically, his victims are taught by Masonic instruments and others that their ignorance must remain, until they are first raised from their graves and the knowledge of life is only then revealed. They never suspect that the reason they will never know truth in this life, is that they have tragically chosen the WRONG WAY AND THE WRONG GOD!

US CONCENTRATION CAMPS

There are now over 600 confirmed prison/internment camps in the United States that are fully operational and ready to receive prisoners. For full documentation, including actual photographs of these facilities, go [HERE](#). They are all staffed and even surrounded by full-time guards, but they are all empty. These camps are to be operated by FEMA, when Martial Law will be implemented in the United States. FEMA (Federal Emergency Management Agency) is the executive arm of the present Police State and thus will head-up all operations. The Presidential Executive Orders already listed on the Federal Register are also part of the legal framework for this operation.

An insider spoke of the coming American Holocaust and of the Government's plans for dealing with "resisters" to the New World Order. These "resisters" will comprise gun owners who refuse to give up their weapons, Patriots, Constitutionals and a few awakened Christians. He spoke of the infrastructure that has already been set up to incarcerate and execute people on a large scale, and the locations of the facilities that will be used for these purposes. Hundreds of these facilities have sprung up and continue to spring up across the country, seemingly devoid of activity, yet requiring strange details such as barbed wire-topped fencing (with the tops turned inwards) and helicopter wind socks. Most have good logistical supportability, with major highways and railroad transport facilities adjacent to the sites. For many years now, under the guidance of federal and local managers, every city, town and village in the U.S. has been covertly set up by manipulating and using our SIGN system to target and mark vital sites, facilities and resources for confiscation and seizure by the military."

Many people are expecting a supreme, diabolical power that will soon find its way into the political arena, compelling Christians and others to abandon their faith by setting up a pseudo-religious government of persuasive force. We need to clearly understand however, that there is worship connected with this power. Verse 8 above states that *all* of the people on earth will worship it, **except** for those whose names are written in the Lamb's book of life.

And it is ONLY THOSE FEW whose names are written in that book of life, who will in the end be saved!

Jesus spoke very plainly when He said that we had a clear choice of direction; one way being easy, the other narrower and much harder to FIND!

"Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it. Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves." (Matthew 7:13-15).

*"And the smoke of their torment ascendeth up forever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth **THE MARK OF HIS NAME.**" (Rev 14:11).*

"They overcame him [the devil] by the blood of the Lamb and by the word of their testimony; they did not love their lives so much as to shrink from death" (Rev. 12:11).

"Do not be afraid of those who kill the body but cannot kill the soul. Rather, be afraid of the One who can destroy both soul and body in hell" (Matt. 10:28).

What are we to do to escape the sudden destruction that will surely come upon the world? Make sure you have made peace with God the Father through the salvation offered by His Son - The Lord Jesus Christ of Nazareth.

For he is not a Jew, which is one outwardly; neither is that circumcision, which is outward in the flesh: But he is a Jew, which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter; whose praise is not of men, but of God. - Rom 2:28-9

I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan....Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. - Rev. 2:9, 3:9

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved." -John 3:16-17

"For whosoever shall call upon the name of the Lord shall be saved." -Romans 10:13

"...and there is no God else beside me; a just God and a Saviour; there is none beside me. Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else." -Isaiah 54:21-22
