# **Knowledge is Power Important Information You Should Know**

## **What is Man?**

**There are two main definitions of man.**

The first is held by Christians: Man is a spiritual being in a material created body made for a purpose according to a pre-conceived plan by an Infinite Mind and Intelligence.

The second is that man is an animal which has evolved over millions of years from a primordial germ. This belief begs the question of who

created the primordial germ and gave it life. There are masses of confused clergy and teachers who hold positions between these two definitions.

There is a force in the world today who consider themselves to be the highest form of evolved man with the highest intellect and creativity. They are determined to place under their control all the rest of humanity. They are intrinsically atheist in their beliefs although some are Satanists. By taking over control of western man in the universities, colleges and schools with the use of humanistic doctrines embodied in modern sociology, psychology, anthropology, economics, politics and the rest of related teachings they have changed and are changing the ethos of western Christian civilization. They have indoctrinated political leaders, clergy, teachers, librarians, journalists and mass communicators with humanism and this in conjunction with communism, Zionism and socialism is being used to manipulate the rest of humanity into becoming industrial and agricultural slaves in their projected world system. The pattern lies in the Soviet Union and other communist dominated countries which is not communist, nor socialism but state capitalism.

Humanism teaches people to treat others as things to be used for self gratification and is subject to no law but force applied by those in power. Hence we find such unnatural manifestations as sodomy and lesbianism forced upon us as well as the worship of entertainers rather than the worship of the Eternal Creator of all things.

Christians are subject to the will of God and His Laws. They treat other people as spiritual beings and practice self discipline.

The international secret society, the Illuminati, was established by Professor Adam Weishaupt and Jewish financiers on May Day 1776 for the complete destruction of western Christian civilisation (read "***Occult Theocracy***" by Lady Queensborough and "***Secret Societies and Subversive Movements***" and "World Revolution " by Nesta H. Webster). The Bavarian Government in the late 18th century intercepted a messenger of the Illuminati with his documents and papers. They circulated the plan for the French Revolution to other European governments. The

heads of the governments of the day thought that the matter was too far fetched and took no action. Weishaupt and Meyer Amschal and the other members of the Illuminati had planned the slaughter of large numbers of the population of France. This has happened in all subsequent communist revolutions; in Russia, in Spain, in Cambodia and elsewhere. The revolution in Germany was forestalled by Adolf Hitler who took his own revenge on the plotters.

The present day command post of the Illuminati is the Club of Rome. On December 5th 1983 at a conference the Club of Rome endorsed and accepted the Global 2000 Report. The goal of the Global 2000 Report is to reduce the world population from 6 billion to 3 billion by the year 2000 A.D. by limited regional wars, starvation, destruction of industries and the killing off of 'old people.' The chairman of the Club of Rome is Aurelio Pecci. At a meeting during the third week of March 1981 he had this to say: "Men are like insects, they proliferate too much." Pecci also said that man is merely some sort of an accident within creation, and that the majority of the world population should not be taken notice of, nor should they have any access to the management of the world. The Club of Rome is the main command centre for "The New Age Movement" and "New World Order." These bodies seek to establish the Matreya, the mixed breed, mixed creed messiah (this information is from October Report by Dr. John Coleman, published by Christian Defence League, Box 449, Arabi, LA 700032, U.S.A.).

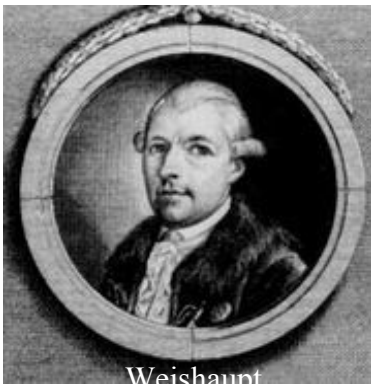

Darwin's theory of Evolution has been totally destroyed by the mathematical calculations of Professor Faa de Bruns, Professor of Anthropology of the University of Turin. Professor de Bruns has shown, using modern computer studies, that the theory of evolution of Charles Darwin is utterly impossible. Present population figures destroys Darwin's theory but no one dares to publish or quote the professor.

## **KHAZAR JEWS AIM TO CONTROL THE BRITISH ROYAL FAMILY**

The Illuminati had infiltrated the royal household and wafted around King Edward VII. Since 1942 Lord Louis Mountbatten was the power behind the throne. Under his influence and direction, India and several other parts of the British Empire gained their independence; that is they ceded from the Crown. Earl Mountbatten had married Edwina, the granddaughter of Sir Ernest Cassell, a Jewish millionaire who had financed the establishment of the London School of Economics "for the purpose of training our future socialist bureaucracy of Britain." The London School of Economics was dominated by a Marxist revolutionary, the Khazar 'Jew' Harold Lasky. Lasky's great friend was Felix Frankfurter who masterminded the American New Deal after World War II. Among those who studied under Lasky were John Kennedy, later President of the United States and Pierre Trudeau, later Prime Minister of Canada.

Besides being a personal friend and behind the scenes adviser to King Edward VII, the international financier Ernest Cassell was also a business associate of Jacob Schiff of Kuhn Loeb & Co. of New York, who helped to finance the Russian revolution.

Lord Louis Mountbatten and Edwina were socialists and had a world wide network of socialist friends. The Soviet Union is a socialist country, that is state capitalism run by Khazar Jews and atheists. Queen Elizabeth is married to Mountbatten's nephew, Prince Phillip, whom he adopted

when a young boy. Prince Phillip was educated privately at Gordonstoun by Kurt Hahn, an Illuminatus, whom Adolf Hitler had thrown out of Germany. Hahn had served on the executive committee of the Communist Party and had directed the Communist Party's policy in Germany to enable the Illuminati to foment World War II. Kurt Hahn was fully informed, highly trained and experienced subversive. Gordonstoun school is only one of the three institutions he has established in accord-

ance with Weishaupt's plan for the Illuminati to indoctrinate and train

youths of well bred families with internationalist leanings to be the 'agentur' of the Illuminati. The other two schools are located at Salem in Germany and Anavryta in Greece. These youths do not know the purpose for which they were trained. They are but pawns in the game.

Queen Elizabeth is head of the National Church of England. Her spiritual adviser was a Canon C.E. Raven who had been thrice married. His third wife was a professed atheist. During his appointment, Her Majesty had never made reference to Almighty God in her Christmas broadcast messages. She used the Illuminati jargon and said:- "The chain reaction of the powers of light to illuminate the New Age (new world order) shed on us." The New Age Movement consists of a number of illuminated groups and societies who have been induced to look for the coming of the Maitreya, a spiritual world ruler who will be a combination of the Mahdi, the Cosmic Christ and the Messiah all rolled into one. This is part of the Illuminati's plans of Ecumenism to establish a one world government.

Such is the power of the Illuminati that in Canada they instructed one of their agents, a German born Canadian artist to celebrate Elizabeth's accession to the Throne by designing a postage stamp to cleverly conceal the face of Satan in the hair of the Queen. In Illuminati symbolism this meant "We now have the ear of the Queen." The attention to this outrage was brought to attention by the Canadian Prime Minister, John Blackmore, and new plates were made and new stamps printed.

Prince Phillip was informed of the true purpose of the Illuminati but seems to have taken no action. The royal princes were sent to Gordonstoun by their father, Prince Phillip. Prince Charles was greatly influenced by his grand uncle, Lord Louis Mountbatten, who advised him and the Queen and Prince Phillip to keep in step with the 'revolution' to avoid being assassinated as was the Czar Nicholas II of Russia in 1915. Both the British royal family and the Mountbattens were closely related to the Czar. Mountbatten was assassinated by the I.R.A. which had been infiltrated by the Trotskyist International in 1979. The Secretary General of the Fourth Trotskyist International is Dr. Ernst Mandel, a Khazar 'Jew' who was often in Dublin. The Fourth Trotskyist International are the back stage supporters of all the revolutionary terrorist organisations the

aim of which is to break down orderly society so that the communists can take over. The Trotskyist International were responsible for the murder of Ross McWhirter, a constitutional lawyer who knew too much about how the Illuminati were destroying the British nation and its ancient constitutions, particularly in forcing the United Kingdom into the Common Market.

A great friend of Prince Charles is Armand Hammer, an oil billionaire. When the Prince's second son was born it was announced that Hammer would be the child's godfather, but the Queen prohibited this as inappropriate.

Hammer was once declared 'persona non grata' in Britain for financing communist organizations attempting to overthrow the state. Armand Hammer works hand in glove with Edgar Bronfman, who made his money in the alcoholic drinks industry, and is currently president of the World Jewish Congress and with Harry Oppenheimer who manages the international diamond cartel which is cleaning out the wealth of Southern Africa. Oppenheimer controls the English newspapers of South Africa and in his Rand

Daily Mail he has pushed relentlessly for the past thirty years for racial strife in Southern Africa. Bronfman has recently been hounding the new president of Austria, Herr Waldheim in conjunction with the Israeli State.

Armand Hammer is head of the Occidental Petroleum and was a friend of Lenin and Trotsky. His father, Julius Hammer, also a multi millionaire, was one of the organizers of the Communist Party of the United States in 1919. Armand Hammer made 20 million dollars selling fertilizers to the Soviet Union in 1974. He is a communist one worlder; he put up the money for the six united world colleges. Prince Charles is the president of the United World Colleges International Council. These six colleges are in Canada (the Lester Pearson College of the Pacific), Wales, the U.S.A., Singapore, Swaziland and Italy. Two more are to be built: one in

India and the other in Venezuela. They are for the training of the personnel to run the Khazar Jew one world government.

The British Royal Family are the captives of the Khazar Jew Zionists and one worlders and of their philosophy, hence the fatuous suggestion that Negroes should be enlisted in our British Brigade of Guards. The Royal Family can only be freed when the British people know the Truth and rise up against these aliens whose main occupation at the moment is to force racial integration of the white race with the coloureds, Negroes and Asiatics who have been brought to these islands for that purpose.

## **THE ECONOMIC ORDER AND THE OVERPRINT PROGRAMME**

The Illuminati at the end of the 18th century established the decimal system and the metric system. These systems were forced on Europe by Napoleon Bonaparte. The Anglo-Saxon nations resisted until they were brought in through the back door.

Let us look at modern paper money. The British pound note has been withdrawn from circulation. On all the notes of the continent, Great Britain, and the dominions, Canada, Australia and New Zealand there is a blank unprinted space either in the form of a square, an oblong or a circle, this is most obvious on the French notes. New currency with this blank space has been issued in Argentina, Australia, Spain, Britain, France, Italy, Japan, the Netherlands and Western Germany. However the United States currency does not have this space and so the United States currency is to be called in and re-issued with this space and the metal strip said to prevent forgery. When this currency has been re-issued and all the notes have this blank space there will be a massive international bank overprint on all notes giving the international currency value. In time all the national overprinted notes will be called in and an international currency issued. The overprinting of the national currencies with a world wide value designation is an interim procedure to ensure that the people do not lose faith in the currency and begin hoarding gold, silver and precious metals while the change is taking place. The overprinting of the

notes facilitates the greatest security against panic and the rejection of paper money.

After the overprinting on a world wide basis has taken place and the international currency issued a massive devaluation will take place of the currency. Enormous debts to the international bankers and financiers have been built up from the Third World (backward nations) and the Communist countries of which even the interest will never be repaid. The International bankers are in great trouble. They have loaned credit based on the pension funds and savings of the western world hoping to gain interest for themselves on the loans. If everybody began to demand their savings and pensions with interest the whole international banking system would collapse for the banks would be unable to repay except in worthless currency. There would be a world bank crash. Hence the necessity for the international banks to devalue the world currency and bring the currency into line with the poorer nations.

In May 1982 a group of 36 international bankers formed the Ditchling Group in London. Among members were The Bank of International Settlements, the International Monetary Fund, the Bank of England, the United States Federal Reserve and the World Bank. They discussed a new currency system as needed under a world central bank which would have direct economic control of the economics, economies and debts of both debtor and creditor nations.

The orders of the international bankers and financiers were given out at the Bilderberger conference held in great secrecy at Gleneagles in Scotland with armed guards preventing the unauthorized from coming near and attended by Mrs Margaret Thatcher and the Prince of Wales. Incidentally the Bilderbergers are connected with the Club of Rome.

After the issue of the world currency the nations of the world will be submerged into a world economic order with a world financial and political system; all the separate states will be abolished. Whoever controls the currency controls the army, the police, the security services, the courts of law and the administration: hence the plan to destroy the national governments, now subject, we are led to believe, to the will of

the people under the Crown, and place them under the full control of the international Marxist-Zionist dictatorship.

## **THE BRITISH NATIONALITY ACT**

The British Nationality Act is based on the Marxist principle and Communist teaching that environment is more important than heredity in the development of the individual. This has been shown to be false in the study of identical twins. It has been found that identical twins separated at birth, the one going to a poor slum family and the other to a wealthy well educated family retain the same mannerisms, rate of learning and level of intelligence.

Violent action was taken against Professor H.J. Eysenck, who incidently is a Jew, professor of Psychology, by student gangs for teaching the importance of heredity over environment and Professor Sir Cyril Burt was most viciously vilified after his death because he proved the precedence of heredity over environment. All these attacks were instigated by communists and left wingers.

The truth is that we are what we are because of the genes we have inherited from our parents and from our ancestors and from our race. These genes will decide our level of intelligence, our distinctive capabilities and the type of civilization we will create and our speed in learning.

The British government passed the British Nationality Act by which nationality will be determined upon our place of birth and not on our parentage and race. This is the Jewish communist device to force the British people to integrate with the Negroes and the Asiatics brought in for the purpose. All the races of mankind except the Jews are to be integrated into one world nationality.

Karl Marx was a renegade Jew and the writer of the Communist Manifesto. The teachings of Marx on the environment is a premeditated lie and it has been taught in all the universities and colleges. All the older books

on psychology prove the importance of hereditary. With the constant repetition of this lie and violence used against all those who disagree the public is induced to believe that all men and all races are equal which they are not.

The application of this act means that Negroes born in the United Kingdom take British nationality while those of our race, pure Anglo-Saxon-Celtic stock who are born elsewhere are foreigners and so we have racial discrimination against members of our own race. A Mr. Lenton of good Anglo-Saxon stock came from Australia to Britain, his mother land, and married an English girl here. He obtained employment here to support his wife. He was arrested and sent to prison for overstaying his time. He will be deported.

A soldier, Brigadier Wilson, whose grandfather was sent to India in the Indian army, his son was born in India and served in the Indian army, was himself born in India and served in the Indian army. He is now considered to be an Indian national and a foreigner in his own native land.

Tarik Ali, an anti-white, anti-British revolutionary, born in Pakistan, who has caused disturbances in which our policemen have been hurt is now a British national. We now have the case of a man with a Greek father and a Swedish mother who has adopted the faith of Islam and calling himself Usuf Islam stating that there is a Christian based slant in British education which is offensive to Islam (Sunday Express Magazine 16th November). The Zionist-Communist conspiracy which works through its political dupes is determined to destroy our people by race mixing.

## **RACE AND THE RACE ACTS**

In May 1965 the British section of the World Jewish congress issued a booklet "Legal Curbs on Racial Incitement," written by Dr. F.L. Brassiloff and Dr. Natan Lerner which gives confirmation that the communist swastika daubings of 1959-60 led to a demand for race legislation. At the same time the book "Jews and Human Rights" was issued. This booklet is extremely frank about the twin aims of political Zionism. Zionists believe that while the gentile nations of the world will become interna-

tionalised, the Jews will enjoy a national state based on Jerusalem which will be the seat of their world government.

The 1965 Race Relations Act was introduced in the House of Commons by the Labour Attorney General, and immigrant Khazar 'Jew' from Russia, Sir Frank Soskice. He was the son of Kerensky's (Aaron Kirbitz) private secretary. It was Kerensky who handed over the 1917 Russian Revolution, after the overthrow of the Czar's government, to Lenin and Trotsky.

Agitation was stirred up by the National Council for Civil Liberties (in the formation of which the Jews took part), the Zionists, socialists, communists and the Board of Jewish Deputies and this resulted in the Race Relations Act of 1968. Paul Rose of the Jewish Democratic Defence League called for pressure to strengthen the race relations acts to prevent racial incitement and end all forms of racial discrimination. These acts were aimed at breaking down the colour bar (separate development) and to force the white population to serve, employ and mix with the coloured immigrants with the aim of ultimate integration of the races. This at a time when there was no active racial discrimination by the British public, only indifference.

In the Jewish Chronicle of May 7th, Martin Savitt of the Board of Deputies Defence and Group Relations Committee and Jacob Gewirtz, an American Jew from the Bronx, New York, addressed a meeting and stated that the Race Relations Act was yet another bone of contention. Mr. Savitt said that they must insist on an amendment to the act; section 6 was unworkable and 'intent' should be eliminated. We may ask what the alien Jacob Gewirtz has to do with the legal affairs of this country, save that we know that he was sent over here specifically by the World Jewish Congress to cause trouble for us.

One member of the Board of Deputies of Jews sub-committee on Race Relations was Geoffrey Bindman who was legal adviser to the Race Relations Board and also legal adviser to the Socialist Worker. Anthony Lester and Bindman published a book "Race and the law" in which suggestions were advocated for tightening up the Race Relations Act.

These suggestions have now been incorporated in the Race Relations Act of 1976. This bill was passed in the Commons with only 132 of the 635 members present; 21% of the full membership. The 124 Labour members and the Liberals voted for the bill and the 8 Conservatives were against; but where were the other 250 Conservative members who we pay very highly to look after our interests?

The advocates of racial integration and miscegenation become so worried at the amount of factual information being disseminated that Leon Brittan (ischi), a Lithuanian Jew, while Home Secretary formulated a law (now going through Parliament) making it illegal to investigate racial matters and to prevent investigation of their activities. This bill, when passed, will give the Race Relations police powers to enter the Englishman's home and search for incriminating material, confiscate books and papers and bring offenders before the courts. Should this bill pass then we are no longer a democracy but an autocracy as is the Soviet Union. Parliament which makes the laws seems no longer interested in Truth. Judge Herod sentencing David Owen at the Leeds Crown Court for telling the truth about Race Relations, stated that he was "not concerned with the truth."

Non-whites have been and are arriving in myriads into white inhabited and administered countries: Great Britain, the United States, Canada, Australia, New Zealand, Germany, Scandinavia, Holland, Belgium and South Africa. They are assisted by Zionists, Communists, socialists and one-worlders working in the background within white governments. Many of those in the background are aliens using English sounding names (read: "The Camp of the Saints" by Jean Raspail). The Jew, Saul Mendlovitz of the Institute for World Order aims to promote terrorism in Southern Africa and genocide to destabilize and destroy the white nation and take it over. Great Britain is in the throes of this process where we are being taught that we are now a multi-race, multi-culture, multi-faith nation. This is, of course not correct yet, but the directors working behind the scenes are mentally preparing us for the eventuality.

**APARTHEID - SEPARATE**

# DEVELOPMENT

The Negro race as a whole has not the intelligence, skills nor the capacity to neither initiate nor sustain the standard of civilization created by the white race. The Negro has been activated by Jewish communists to demand to take over the civilization created by the white race and the Khazar Jew Joe Slovo and his Jewish friends were the founders of the A.N.C. This has happened in Kenya, Uganda, Rhodesia and elsewhere. When this happens the white created civilization stagnates as the tribes fight out their differences and culpable Negro dictators salt away the treasure of the country into Swiss bank accounts and give jobs to their incapable relatives. Zambia, Zimbabwe and the rest, producers of metals and exporters of agricultural products have to use the white man's transport system since they can not maintain the railway system inherited from the white man. When the Negro dictators take over the country the Jewish Zionist/socialist clique who are the hidden hand behind influencing the white man's government ensure that they are supported by free handouts of purchasing power supplied from the taxes of the white race. Jerry Gable, one time editor of "Searchlight," called the British 'a soft touch.' He should know for his people have been using the British as a soft touch for some considerable time.

The Negro and the Asiatic have been brought into Britain to destabilize the British nation. The Negro and the Asiatic realize that we are an inventive and creative people and wish to take advantage of our inventive and creative skills and will fight with all their might to remain in a white man's country. The white middle eastern aliens who have infiltrated our society ensure that they are retained here. Before the last war there were no burnings and lootings in our cities even in times of mass unemployment, there were no muggings no mass rapings of our women. These affairs have only occurred after the arrival of masses of Negroes and Asiatics on our shores. Those of our race of lesser intelligence and lack of discipline are now copying the activities of the immigrants who have been allowed to get away with law breaking by 'soft' magistrates.

Negro and Asiatic immigration into Britain is still continuing because the Conservative Government is unable to combat the influence of their international Zionist mentors. Gerald Kaufman, a Khazar 'Jew', Labour shadow Home Secretary, has stated that when his party comes into power he will open the doors of our country to asiatics and Negroes. Neil Kinnock, who is but a dupe, has said the same thing to Indian Prime Minister Gandhi and others. No attempt is being made to divert this flow of immigration to the empty areas of South and Central America.

Because these coloured people have not the same level of intelligence as the white race a policy of positive discrimination was thought out by Khazar Jews in the United States and brought over to this country. This policy is to discriminate in favour of the Negro and the Asiatic in a white man's country to enable them to take jobs in a white man's society. Teams of indoctrinated teachers and social workers have been going around English villages with black dolls and books illustrated with Negro children as part of a campaign to induce the British people to integrate with the Negroes.

The Board of Deputies of Jews in Britain are affiliated with the World Jewish Congress. The W.J.C. has asked its affiliates in seventy countries to join a world wide campaign against 'racism' and 'apartheid' (separate

development). There are 120,000 Jews in South Africa, many of them millionaires. They have established a militant anti-apartheid organization 'Jews for Social Justice,' the term to deceive the 'goyim.' However they are the one race par-excellence who know just how to discriminate. On Sunday 15th November 1986 they displayed their exclusiveness by holding their own Remembrance Day march in London. Don't try and live as an Arab in the

Israeli State. The Khazar 'Jew' international, have declared war on the white race in, South Africa.

The Jewish controlled television screen, film industry and newsprint fill the air and the papers with half truths, suppression or alteration of facts and lies to deceive the white race while the destabilization and destruction goes on. We have been deceived by the lies about the six million Jews, the lie about the Anne Frank diary, the lie that the Khazar Jews are true Israel in order to curry our sympathy. They have certainly shown no sympathy for the Palestinian Arabs whom they have dispossessed.

Michael Grade, the son of Lew Grade (Winogradski) who filled the air with sexual filth and race mixing, Director of Programmes of the B.E.C. stated on television:- "The B.B.C. can not be impartial on such things as racism." With such direction the B.B.C. could easily be the Tel Aviv Broadcasting Corporation.

The Jewish activist in South Africa, Helen Suzman, who is against separate development for the whites of South Africa, is a friend of the Sulzberger family of New York who control the New York Times. This family visited Helen Suzman and Anton Rupert, a South African Jewish millionaire.

Ben Oliver, stipendiary magistrate at Bridgend Court (Daily Telegraph 21/8/86) referring to a dog sold as a pedigree Yorkshire Terrier but was of mixed breed stated:- "I find the evidence that the mother had been contaminated by a Cavalier King Charles Spaniel. It is a mixed breed." At least somebody is interested in breeding.

There are vast areas sparsely inhabited in Central and South America and indeed in East Asia and Africa, but the dark skinned races only want to crowd in where the more intelligent white races dwell and are being forced in on us by the shady powers that have infiltrated governments and control the indoctrinated liberals who support miscegenation. The only way to get racial peace is by Separate Development, to allow the races to develop according to their own separate culture at their own speed.

## **GOLD IN THE HILLS**

Vast quantities of gold have been found in the Sperrin Mountains in County Tyrone, Northern Ireland and mined by Ulster Metals. The offices of the Sperrin Gold project are situated in the Irish Republic and has Canadian connections. Ian K. MacGregor (a Bilderberger) is chairman and chief Executive officer of American Metals. The Conservative Government paid the bankers Lazard Freres of New York the sum of one million pounds for his services to run down Britain's steel and coal industries. This led to the miners' strike. Ian MacGregor bought a large farm in Argyllshire. By an extraordinary coincidence gold was found in Argyllshire. A B.B.C. report in Scotland eventually showed men at work on this gold find and B.B.C. reporters stated that the exploration work was done by EXON and SHELL. EXON is a Dublin based company belonging to the international bankers. In 1986 Ian MacGregor bought another large farm in Argyllshire. There is the Catherwood Plan for the development of Northern Ireland and Northern Ireland government. Sir Frederick Catherwood, Director General of the National Development Office is a Bilderberger. Frederick Catherwood's brother Herbert Catherwood, owns Ulster Transport and other businesses. Bilderbergers + Ulster Metals + international bankers adds up to something very sinister indeed. Has the author of the Catherwood Plan for the development of Northern Ireland a business interest in Ulster Metals (GOLD)?

## **THE ATTACK ON BRITAIN AS A SOVEREIGN STATE - THE SINGLE EUROPEAN ACT**

The Illuminatus Anarchais Cloutz at the end of the eighteenth century drafted plans for a united Europe and these plans of forcing Europe into a unitary state have been advanced by the Illuminati throughout the 19th and 20th centuries. The draft treaty establishing the European Union was signed on February 4th 1986. The citizens of Britain are to be incorporated as citizens of the Union. The Territory of the Union shall consist of all the territories of the member states. The Union will ensure that all laws, regulations and administrative provisions shall be adjusted to form a common usage. There will be a unitary monetary system. This means that our political institutions - the parliamentary system we have developed over

hundreds of years, our foreign policy, financial affairs and our laws are to be subject to a supranational European State and eventually to some kind of world government, a tyrannical government controlled by the financial Jewish one-worlders.

## **THE DESTRUCTION OF THE EURO- PEAN OVERSEAS EMPIRES**

The Rothschilds and their allies gained control of the finances of Europe and made their money on interest gained in building up the European Overseas Empires, British, French and Dutch. They had attempted to get control of the North American States by starting up the Civil War but were foiled by the action of the Czar Alexander II; they financed the Crimean War to ensure Jewish immigration into Palestine; the Opium Wars in China to defend the right of the Syrian Jew Sassoon to smuggle opium into China; the Boer War to deprive the Dutch Boer Farmers of their land so that the Rothschilds could gain control of the gold and diamond mines and establish their subsidiaries the Oppenheims and the De Beers. The Rothschilds and their allies sent their emissary Jacob Schiff to the United States to establish control over the American banking system and this led to the rise of the House of Rockefeller.

However, during the second world war the Rockefellers increased in power and became tired of playing second fiddle to the Rothschilds. On the 20th of February 1943 President Roosevelt, a Rockefeller agent, sent a letter to a Soviet Jew, Zabrowsky, who was acting as his liaison officer with Stalin. In this letter Roosevelt informed Stalin that he promised that the Soviet Union would occupy half of Europe and be given a wide field of expansion in the small unenlightened countries of Eastern Europe. The Rockefellers wished to destroy the European overseas empires and take over financial control of these areas themselves. This they hope to do by

making arrangements with Stalin. In 1943, Henry Morgenthau, United States Secretary to the Treasury and Harry Dexter White (Weiss), Assistant Secretary to the Treasury, both Jews, drafted the Morgenthau plan based on a book "Germany Must Perish" by Theodore Kaufman, published in the U.S.A. in 1941 (obtainable from W.P. Publications, P.O. Box 21, Reedy, W. Virginia 25270, U.S.A.). When Winston Churchill wanted to get at the German Reich by attacking through the Balkans and joining up with the Russian armies on the eastern front he had his plan blocked by Roosevelt. This plan would have stopped the Soviet Union gaining the Eastern States of Europe and would have prevented the disgusting massacre, rape and torture of East German women and children and the satanic bombing of the open city, Dresden. (Read: "Ravishing the Women of Conquered Europe" by Professor Austin App, Ph.D. and "The Destruction of Dresden" written by David Irving). The Rockefellers now became the bankers of the Soviet Union with their Soviet bank established at Number One, Karl Marx Place, Moscow. With the connivance of the Soviet Union and their associates in London, Paris and Amsterdam the destruction of the British, French and Dutch overseas empires (Rothschild country) began. The rivalry had to develop under cover but will be seen in the Belgian Congo especially in the destruction of Katanga and the murder of Prince Tshombe. The copper mines of Katanga were under the control of Rothschild subsidiaries. Lumumba, a Rockefeller protege became head of state in the Congo with the usual massacres and torture by Negro communists (read; "***Doctor Among the Congo Rebels***" by Helen Rosevere, Lutterworth Press and "***The Fearful Master***" by G. Edward Griffin, Western Islands Press). This rivalry between the Rockefellers and the Rothschilds still continues but neither can do anything about it without 'letting the cat out of the bag' for both are dedicated to gaining world control for the Illuminati and would have their plans destroyed if the White Race of the West became aware of what is happening to them.

## About The Author

*Kenneth Roderick McKilliam (1911-1992) was educated in Sydney, Australia and in 1934 went to the University of Queensland. Two years later he attended London University where he obtained an honours degree in psychology and sociology. As a volunteer soldier he saw service in the Somalian Military Administration and was later attached to the East African command H.Q. After the war he spent sixteen years in Africa as an Educational and Community Development Officer.*

*He was active in church and social work and was a licensed reader in the dioceses of Mombasa*

*Namirembe, Upper Nile, and, Canterbury. He made extensive study tours of Australia, Asia and Africa.*

*While in Africa, he became increasingly frustrated as to why all his efforts were being thwarted by those in power back in London. When it was explained to him who really held this power, he was at first incredulous and inclined to disbelief, but then he decided to do his own research and thus came into an awakening himself.*

*He served God and his nation with total commitment by involving himself fully in the politics of the day. He was active first in the National Front, a Party started by some of the finest and most honourable men to live during the 20th Century, (before a controlled and biased media attempted to ruin its reputation) Later, he threw his energies into the British National Party. His motives were to preserve the once great British Empire and the British people: to keep them free from foreign rule and invasion, which is fully in accordance with Old Testament Law as well as the basic statutes of this land, which are still in force.*

*In his own words: "When I came back from Colonial Service, having seen what was going on behind the scenes I wanted to let my own people, my own kinsfolk, know exactly what was going on against them; particularly in the break-up of the Empire and Commonwealth which I had quite a lot of knowledge about. A lot of things are being put out in the world today which are wrong, which are lies, and therefore my whole purpose is to bring to my own people, my own kith and kin, the fact of these lies and that high treason is being committed. Therefore, what I intended was to give them the actual factual information and let them form their own opinions, because a lot of my own people are in the dark". He was a member of British Israel, and was totally convinced that the British and related peoples round the world are the true Israel of God. Today, there are a growing number of Christians in the Commonwealth nations who are coming*

*into an awareness of this knowledge, and the implications and responsibilities it carries. Bible prophecy states that the twelve tribes scattered among the nations will be reunited and their true identity revealed to them.*
