# **The Catastrophe Of Modern Medicine**

**Morgan Brown**

This American Cartoon sums up the real reason for people becoming ill and causing them to run to their doctors only to be made even more ill by the administration of drugs and vaccines etc.

# **Drugs Prescribed By Your Doctor Have Killed Millions – The Catastrophe Of Modern Medicine**

## **Morgan Brown**

It is a Hoax that prescription drugs cure people and save lives. Prescription drugs are big business. The pharmaceutical global industry is worth over 600 billion dollars, while the UK Industry is worth 10 billion pounds and employs 8000 salespeople. In 2003, the UK drug bill was £7.2 billion, which is about 13 per cent of the total National Health Service spending. By far the largest chunk of their immense revenue goes on marketing i.e. targeting doctors directly (some £10,000 spent on each doctor in the U.K.) paying for trials which invariably turn out favourable reports, payment to medical journals, payment to academics who therefore write favourable reports about their drugs, payment for doctors, further education to keep them up to date on new drugs. Funding the FDA (Food and Drugs Administration) and the UK's equivalent MHRA (Medical And Healthcare Products Regulatory Agency) lobbying the U.S. Congress 177 million dollars. They also actively lobby the UK parliament. Promoting drugs is big business. But are they any good at healing people. To answer this question we will quote Lorraine Day, a Professor of Medicine "**DRUGS NEVER CURE DISEASE, they only ever cover up the symptoms, so you temporarily feel better while the disease gets worse.**"

Prescribed drugs have literally killed millions of people and have accomplished the wonder of making vast numbers of people ill, crippled and handicapped. The example of Thalidomide is well known. The drug business is littered with so many disasters we have space for only two: Serotox, Prozac. These are drugs prescribed for depression. Made some patients suicidal and several committed suicide. Research showed the suicide risk dated back several years but doctors were not informed and continued to prescribe them. The Pharmaceuticals knew the dangers but suppressed them. Propulsid. Nexium. Drugs prescribed for heartburn. By 1998 over 500,000 prescriptions for children were being written and 20

per cent of infants. Withdrawn in 2000 after many deaths and heart problems of people on the drug. Information from 'Food is Better Medicine than Drugs' Holford and Burne.

## TENS OF THOUSANDS OF WOMEN KILLED BY HRT

The disastrous consequences on women prescribed HRT (Hormone Replacement Treatment) is well known.. This therapy involved using horses urine to obtain Oestrogen and Progesterone ...women's sex hormones. They were a huge source of profit to the Pharmaceuticals but killed tens of thousands of women. One study concluded; "Use of HRT by women aged 50-64 years in the UK over the past decade has resulted in an estimated 20,000 extra breast cancers ...the extra deaths cannot yet be reliably estimated". Perhaps worse still, research showed not only that women who had taken HRT were at greater risk of cancer, thrombosis and heart disease but that thousands of children born to these women had cancers and malformations of the genitals. Women who had taken HRT for five plus years were 70% more likely to develop Ovarian cancer also there is a greatly increased risk of strokes and heart disease. Consult HRT -Licensed to Kill and Maim: The Unheard Voices of Women Damaged by HRT. Martin Walker ."**This highly profitable medicine has clearly killed thousands of women prematurely**". Food Is Better Medicine Than Drugs. Combined oestrogen and progestin HRT for five years doubles the risk of breast cancer. Lancet. Combined oestrogen and progestin doubles the risk of developing blood clots. Journal of American Medical Association.

"HRT is the new Thalidomide" says health chief. The story quoted the professor in charge of the German Commission on the Safety of Medicines as saying Hormone Replacement Therapy drugs for women were "a national and international tragedy" since evidence had emerged that they had caused thousands of deaths. More women had probably died from hormone therapy than the hundreds of damaged children who had been born in the wake of the thalidomide scandal in the late 1950', said the professor. Quoted in Water Cures Drugs Kill.

## **ANTI DEPRESSANT DRUGS DRIVEN TENS OF THOUSANDS TO SUICIDE**

In 2004, some 3.5 million people in Britain received prescriptions for anti-depressant drugs, costing the NHS about £300 million .In the US some 60 million prescriptions for these drugs were written each year at a cost of \$10 billion. These drugs are highly addictive -once on them it is very difficult to get off. They have many unpleasant side effects and, according to one study, "dramatically increase the risk of death in those with cardio vascular disease". The book Food Is Better Medicine Than Drugs describes anti-depressants drugs as **"dangerous and rather ineffective medicines"**.

"Dangerous" because as the book says "about one person a day in the UK alone committed suicide as a direct result of taking SSRI's" (selective serotonin reuptake inhibitors) **While in the US they could have resulted in 10,000 suicides and 100,000 attempts. One victim of anti-depressants wrote:**

**"These tablets have ruined my life. I believe it is these tablets that make me feel and behave the way I do. I feel enormously angry with the doctors and medical associations for dismissing these symptoms out of hand."** Symptoms such as a strong urge to commit suicide, self harm, uncontrollable crying, violent mood swings, extreme headaches, loss of balance, confused very quickly, feelings of inadequacy, terrible nightmares, lack of concentration, no appetite,- the list is a long one. No wonder so many people on these drugs have committed suicide.

## **DRUGS FOR SO CALLED ADHD LARGELY USELESS WHILE A CHANGE IN DIET HIGHLY SUCCESSFUL**

Children diagnosed with ADHD (attention deficit hyperactivity disorder) a term invented by the Pharmaceuticals who then devised new drugs to treat it. These drugs like Ritalin and Strattera have been shown to be of little effect and can be highly dangerous. Side effects include increased blood pressure and heart rate, stomach pains, weight loss, growth retardation, facial tics, nervousness, violent behaviour. hallucinations\_ even

death\_ the list is a long one. Several children have been killed by them. Hyperactivity can be treated far more effectively with vitamins and minerals, essential fats, especially omega\_3's, (contained in fish oils) sugar free diet and foods containing no chemical additives.

## **SO CALLED GULF SYNDROME CAUSED BY VACCINATIONS AND DRUGS**

**Over 200,000 US Gulf veterans and thousands of British have suffered a whole range of nasty and debilitating symptoms called collectively "Gulf Syndrome" and many have died. There were many attempts to explain the cause of this condition, ranging from the Iraqis using chemical weapons; breathing in toxic fumes from the massive oil fires ;use of depleted uranium weapons; to the cocktail of vaccinations and drugs dreamt up by the big Pharmaceuticals, supposedly to give protection against chemical weapons. At last the real truth has come out and it is an absolute certainty. French military personnel in the Gulf had been prevented from taking the vaccinations and tablets on the direct orders of their commander -in-chief. Since the end of the Gulf War not a single French serviceman has suffered any of the symptoms of Gulf War Syndrome. They were not forced to imbibe a witches brew of injections and powerful drugs. No government, not even 'B'liar's `know all' government, has any right to test dangerous and unproven drugs on its soldiers.**

## **MOST DISEASES CAUSED BY A DEFICIENCY OF VITAL NUTRIENTS**

There is much evidence that many diseases are caused by mineral and vitamin deficiency. A good source of all the vital minerals is seaweed and sea salt. Sea weed is available in the form of kelp tablets which can be taken by everyone. Kelp is also the richest source of iodine necessary for the formation of thyroxin and a healthy thyroid. We should all try to eat more fresh fruit and vegetables, whole grains and nuts, preferably organic. Also try to avoid too much caffeine (tea and coffee) alcohol and cut out fags completely. It's advisable therefore to take supplements. Vitamins A,B,C, and E are especially essential to good health and well being.

Also eat more fish especially oily fish like herrings, mackerel, kippers and wild salmon (not reared in fish farms.) which can fight depression, strokes and heart attacks.

Numerous authorities have stated that the major cause of many life threatening diseases from cancer to heart disease and from dementia (Alzheimer's) to depression is directly linked to a poor diet deficient in vital nutrients. Many diseases are, in fact, deficiency diseases. **WE ARE WHAT WE EAT, LOTS OF JUNK FOOD CAN KILL US.** Devitaminised, demineralised, processed and refined foods, especially white sugar and white flour products can eventually make us very ill and kill us.

Then there is the major problem of pesticides, often sprayed repeatedly on fruit and vegetables. The body imbibes traces of these where they accumulate with potentially dangerous consequences. This is why it is essential to take supplements and try to eat naturally grown foods (organic) where possible.

### **HOSPITALS KILL TENS OF THOUSANDS OF PEOPLE EVERY YEAR**

People enter hospital to be cured, but the sad reality is many come out in coffins. The three major cause of death in the west are cancer, heart disease and the hospital medi-care system.

This is due to such factors as unnecessary surgery, prescription drugs, infections in hospitals and the side effects of drugs, not mention miscellaneous errors in hospitals. **Hospitals kill tens of thousands of people each year.**

Dr Joseph Mercola who hosts one of the most comprehensive health research sites on the Internet has said "More than five million people have been killed by western medical practice in the past decade and 20 million killed or permanently maimed."

Consumer advocate Ralph Nader reported early in the 1990's **that around 300,000 Americans were killed by their doctors and hospitals**

every year. Dr Mercola puts the figure around 225,000 a year in the U.S. alone.

## **A LEADING US NEWSPAPER GIVES THE TRUTH ABOUT DRUGS**

The Washington Post of Wed. April 15, 1998 actually gave the real truth about the impact of drugs on patients: "Millions Affected By Toxic Reactions" By Rick Weiss. Washington Post Staff Writer "More than 2 million Americans become seriously ill every year because of toxic reactions to correctly prescribed medicines taken properly, **and 106,000 die from those reactions, a new study concludes.** That surprisingly large number makes drug side effects at least the sixth, and perhaps even the fourth, most common cause of death in this country."

Some authorities claim that drugs are the major cause of death in the West, ahead of cancer and heart disease.

It seems that what Napoleon Bonaparte stated is all too true when he said **"You medical people will have more lives to answer for in the other world than even the generals."**

## **A CHANGE OF DIET AND LIFE STYLE CAN OFTEN ACCOMPLISH WONDERS**

Because traditional medical practice has failed abysmally, many people seek natural remedies or try to follow a healthier lifestyle to avoid disease. Prevention is better than cure. The obvious example is smoking, but there are many others. For example, there is mounting evidence that abortion is perhaps the main cause of breast cancer among women in later life. Also the use of anti-perspirant sprays which block the sweat glands leading to inflammation of the lymph nodules and cancer. A lack of roughage in the diet is known to be a cause of bowel cancer and a deficiency of Vitamin A and C has been linked to heart disease.

A change of diet, including more fresh fruit and vegetables and taking supplements could be the answer to your health problems. Many drugs

have proven to be a disaster. It is better to avoid them **There are many case histories of people who have been cured of cancer by following a natural course of treatment.**

The Pharmaceutical Companies are trying their dammed 'est to discredit vitamins claiming that they can be dangerous. But their is not a single case of someone dying from an overdose of vitamins while drugs have killed millions. It is really just a matter of the Pharmaceuticals stamping on the opposition.

### **SODIUM FLUORIDE (Na F) RAT POISON NOW ADDED TO OUR DRINKING WATER**

If you don't believe yo& elected government is hostile to the real interests of the British then just consider how they have banned the sale of supplements and vitamins that can help to cure cancer. Also, in passing the recent "Water Act" they have forced all water companies across Britain to add Sodium Fluoride **RAT POISON TO ALL OUR WATER SUPPLIES.. NaF**, once used as a very effective rat poison, was added by the Soviets to the water of their innumerable concentration camps. They knew it had a powerful dumbing down effect on the inmates. It made them more docile, subservient, submissive and manageable. This is the real reason it is now added to our water. The government is not just hostile to our interests it is actively promoting our destruction as a White Christian nation. If you don't believe this then just look around you. Visit London sometime.

The book 'Fundamental Chemistry' describes NaF as '**INTENSELY POISONOUS.**' A chemical dictionary points out that it is '**HAZARDOUS AND TOXIC BY INGESTION AND INHALATION, AND A STRONG IRRITANT TO TISSUE.**' It adds that it is used as a '**FUNGICIDE AND RODENTICIDE (rat poison)** and also as a '**INSECTICIDE** but not on living plants.' In fact, it is so dangerous it would kill the plants as well as the insects.

This is the dangerous chemical, once user to kill rats, which 'B'liar's Red Labour Government at Westminster has decreed should be added to all

your drinking water. Next time you have a tea or coffee and make your children a squash remember you are all getting a dose of this brain paralysing drug. A drug known to reduce children's I.Q and make people more susceptible to a whole range of diseases from birth defects like Mongolism to kidney and heart disease.

Recently, declassified documents from America prove conclusively that damaging facts against fluoride were deliberately suppressed by those responsible for the atomic bomb project. A Manhattan Project Memorandum of 29th April 1944 states 'Clinical evidence suggests that uranium hexafluoride may have a rather marked central nervous system effect...It seems most likely that the fluoride component rather than the uranium is the causative factor.'

Many independent studies have shown that fluoride is a powerful central nervous system poison and effects the human brain even at very low concentrations. Why is it added to the drinking water in Palestinian areas by the Jews but not their own water? Why do the Spaniards add it to water in Basque regions but not their own water? NaF is a powerful tranquilliser. Sodium Fluoride is also a lethal poison.

There is enough sodium fluoride in a tube of toothpaste to kill a small child and in America they have to print a warning on the packet.

## **VACCINATIONS USED TO SPREAD DISEASE AND KILL PEOPLE**

Dr Lorraine Day, a Professor of Medicine, and many other informed people have stated repeatedly that vaccinations cannot be trusted. Mercury in vaccinations is a major cause of brain damage, Alzheimer's in the elderly and Autism in the young. The flu jab gives no protection against the flu whatsoever. She has stated that vaccinations - **ALL vaccinations - are neither safe nor effective. They do not prevent disease, they CAUSE disease!** Doctors are paid to vaccinate children. If they don't vaccinate they lose money. Vaccinations have made many children very ill and killed others.

The U.S. centre for Disease Control and Prevention showed that a child's risk of seizure(epilepsy, convulsions and fainting) triples within days of receiving the MMR or the DPT vaccines. The same organisation conducted the most definitive study ever involving 500,000 children to monitor their progress after vaccination and identified 34 major side effects of jabs. These included asthma, blood disorders, diabetes and neurological disorders like meningitis, polio and deafness.

Every parent should read 'The Vaccination Bible' Edited by Lynne McTaggart so that they can be armed with the truth about vaccinations. Dr Keith Mumby wrote of this book 'A very big thorn in the side of the medical propaganda machine.' The preparation of vaccines is a multi-billion source of profit to the pharmaceutical companies. Disease to them is big business. A healthy population would put them out of business. Proper nutrition is the real way to treat many diseases like heart disease and cancer.

**The fact is vaccinations kill and maim on a regular basis.** In addition to the viral and bacterial contaminants that are part of vaccines there are dozens of 'Vaccine Fillers' including Aluminium Hydroxide, Animal Tissues: Pig Blood, Horse Blood, Rabbit Brain, Dog Kidney, Monkey Kidney, Formaldehyde, Glycerol, Aborted Foetal Tissue, Phenoxyethanol (Anti-Freeze) and Vero Cells, a continuous line of Monkey Kidney Cells, Washed Red Blood Cells .etc etc.

Would any mother give this witches brew to her children in a drink. Yet she is expected to have it injected straight into her baby's blood stream.

## **AIDS CREATED IN THE LABORATORY TO KILL MILLIONS**

Dr Lorraine Day has stated that AIDS is a man made disease and was created in the laboratory and deliberately spread amongst the population in contaminated vaccines as just one means of population control.(See her Web Site [www.drday.com](http://www.drday.com)) Her conclusion is exactly the same as Dr. Robert Strecker, another expert on AIDS. He has stated that the AIDS virus was created in the laboratory by crossing Visna brain rot virus of sheep with Bovine leukaemia virus of cattle and growing on human tissue

culture to make it adapt to growing in human cells. Moreover, that it was deliberately spread amongst the homosexuals in contaminated vaccines for hepatitis B. It was introduced into Africa by the World Health Organisation(WHO) in a smallpox vaccination campaign. This was also revealed a few years ago in a leading Times article of May 11th 1987.

Also, Dr Jacob Seigal, an East German Biologist, has stated that it was the product of germ warfare experiments in the States and Dr John Seal of the Royal Society of Medicine has also stated that the virus appears to be man made. Strecker claims that other deadly diseases have also been deliberately spread amongst the human population. The ideal way of doing this is in vaccinations which most people trust. According to a recent audio tape by Texe Marrs several top American micro-biologists have recently been found dead- all in very suspicious circumstances. His address is :Power of Prophecy, 1708 Patterson Rd. Austin. Texas 78733.

Vaccinations have been and are being used to spread killer diseases as a means of reducing the world population. The most recent examples are **SARS** and **BIRD FLU**.

### **MONEY POWER RULES SUPREME .THE PEOPLE WHO CONTROL MONEY(THE EDMITE JEWS) CONTROL EVERYTHING OF CONSEQUENCE ON THE PLANET**

The Pharmaceuticals are owned and controlled by a few Jewish families of fabulous wealth, like the Rockefellers and Rothschilds. Exactly the same people, in fact. who own and control the so called newspapers, like the Sun (porno-comic strip for unthinking people) and The Daily Mail (best quality lies and junk for the better educated) They churn out lies, misinformation, distortions, masses of trivia, emptiness and sweet nothingness on a regular basis. All newspapers are a waste of time and space and all journalists are lie mongers. scribblers and fakers.

**"THE FUNCTION OF A JOURNALIST IS TO DESTROY TRUTH, TO LIE OPENLY AND TO CRAWL AT THE FEET OF MAMMON AND SELL HIS RACE AND NATION FOR HIS DAILY BREAD. WE ARE JUMPING JACKS OF RICH MEN WHO STAY**

**BEHIND THE SCENES. THEY PULL THE STRINGS AND WE DANCE"** John Swinton, onetime Managing Editor of The New York Times.

**"OPINION TODAY IS A MANUFACTURED PRODUCT AND CAN BE SHAPED IN ANY FORM DESIRED" and "NEWSPAPERS ARE UNDER OCCULT CONTROL"** That is Jewish Zionist control as made clear in Douglas Reed's book The Controversy of Zion. He was, for many years, Foreign Correspondent of The Times so knew what he was talking about.

### **THE ORIGIN OF THE WORD 'PHARMACIST'**

It is interesting that in the Bible the purveyors of drugs are linked with whoremongers (Pimps), dogs (Male Prostitutes), Murderers, Idolaters and Liars. See Revelation 22:15.

The word as it appears in our Bible is sorcerers, which is a mis-translation of the Greek word 'Pharmakos' meaning literally 'a druggist, pharmacist or poisoner.' Ref 5332, 5333 page 75 Greek Dictionary. Strong's Exhaustive Concordance of the Bible. Pharmacist comes from the Greek 'Pharmakos' translated in the Bible as Sorcery 'person who practices magic' Dictionary.

### **THE PLAN TO DRASTICALLY REDUCE THE WORLD POPULATION**

The real world leaders, sometimes called The Jewish Money Power or The Hidden Hand form the top echelon of the Illuminati and control ALL secret societies and all governments. People like the War Criminals and Mass Murderers 'B'liar and his friend Bush are no more than willing

puppets in the hands of the master manipulators. They are simply pawns in the game being played out. According to numerous well informed sources, like onetime MI5 operative John Coleman in his book: *The Conspirators Hierarchy*. The Committee of 300 and Dr Lorraine Day they plan to drastically reduce the world population from the present 6 billion to 1 billion. In other words, they plan to kill up to 5 billion. people. They can only do this by the use of biological and chemical agents so that people do not realise they are under attack.

Pharmaceutical drugs and contaminated vaccines have already killed millions. Many dangerous chemicals like Aspartame and Monosodium Glutamate are added to many foods while our drinking water is now laced with Na F rat poison. There is evidence that they are spraying large sections of the planet with chem-trails (not contrails) including "aluminium oxide, barium, benzene, fibres, pathogenic bacteria and mould" and numerous other agents. They cover everything when they hit the ground. There is little doubt that they will bring about a nuclear war that will kill millions if it suits their purpose while they hide away in their shelters in remote parts of the world. Prof. Frederick Soddy stated long ago: **"THE INTERNATIONAL BANKERS WOULD RATHER SEE THE WHOLE WORLD GO UP IN FLAMES THAN ABANDON ONE JOT OF THEIR PLANS."**

Major Robert Williams of American Counter Intelligence wrote in his book *The Ultimate World Order*: **"UNLESS THE AMERICAN PEOPLE RECAPTURE THEIR GOVERNMENT AND SMASH THE ZIONIST MACHINE. THE INSANE ELEMENTS IN THAT MACHINE MAY WIPE OUT MANKIND."**

### **PEOPLE'S MIND SET FIXED BY LYING PROPAGANDA**

According to numerous authorities, some of whom worked in the highest echelons of military intelligence, the US Government and Administration was hijacked years ago by Khazar Jews, exactly the same tribe who controlled Russia. So America and Russia have long been under exactly the same control. This was stated long ago by Colonel John Beatty who was Intelligence Officer to the White House during WW2. He also stated

that members of the same tribe controlled the American media, were brainwashing the American people, undermining the Constitution and destroying the US from within. Moreover that these same Khazar Jews were the real directors of US Foreign Policy. Read his book if you can get hold of a copy: *The Iron Curtain Over America*. This book was read and endorsed by General Douglas Mac Arthur. We could provide volumes of evidence in support of the above but we do not have the space. Douglas Reed-onetime Foreign Correspondent of the Times- wrote: "Capitalism and Communism have been set up and given shape, America and Russia suitably to alarm the mass mind. The picture offered is of bleak and hopeless enmity and confrontation between these two groups. But what if similar people secretly rule in both camps and propose to achieve their objectives through the clash between these masses. I believe that any serious student of our times will discover that this is the case." ***Far And Wide***. The Russian military machine was largely made in America. Read *National Suicide: Military Aid To The Soviet Union*. Prof Anthony Sutton The so called 'Cold War' was a pretence. The real world leaders of New York also transferred all of America's nuclear secrets and essential raw materials to Russia to enable her to build atom and hydrogen bombs to threaten the West. From ***Major Jordan's Diaries***. Every year the West spent billions of dollars in defence against an enemy which she herself created and kept going. But all of this is another story.

## **THE MOST MURDEROUS SYSTEM OF GOVERNMENT EVER**

If all of this sounds unbelievable, remember that Russia under the Jewish Bolsheviks murdered some hundred million of its citizens (according to Solzgenitsyn 66 million) while Moa- Tse-tung of China murdered an estimated 50 million. Read: *Death By Government*. R. G. Rummel. *Behind Communism*. Frank Brittan. Available from: *The Truth At Last*. P.O. Box 1211. Marietta, GA 30061. USA.

As to governments killing their own people, if we can believe General Leonid Ivashov, the former Chief of Staff of the Russian armed forces the destruction of the Twin Towers of 9/11 was an inside job. He said "International terrorism does NOT exist and the 9/11 attacks were the result of a set up". There is masses of evidence available proving that only

the US government itself could have destroyed the Trade Centre and brutally murdered over 3,000 of its own people Just as rogue elements in the British government and its so called Secret Services (perhaps assisted by Mossad and the CIA) were behind the events of 7/7 and the murder of Princess Diana.

## PLANNED CRISES

For centuries governments have staged disasters to move people in the direction they want them to travel and to impose tighter controls over their own people. For example, the Japanese attack at Pearl Harbour was all engineered by the Roosevelt administration to get America into WW2. The Americans had cracked the Japanese secret code and knew well in advance when the attack was coming but American commanders at Pearl were not warned. The 3000 plus military personnel who died were murdered by their own government. For confirmation, see 'The Final Secret of Pearl Harbour' Rear Admiral Robert Theobald, 'The Warlords of Washington' Col Curtis Dale, son in law of FDR.

The CO2 pollution hype and nonsense is part of the same strategy. Dr David Bellamy has stated, accurately, that some 99% of CO2 emissions are beyond man's control. It is time to wake up to the simple fact that **"all politicians are liars and nothing they say should be believed."** The present bunch of scoundrels who masquerade as a government at Westminster are guilty of the greatest treason in our history. The treason of turning our tiny island home into a haven for some 15-20 million coloured aliens. Depriving the real British of millions of houses and jobs and stretching the social services to breaking point.

## "THE "DEPRAVITY OF MODERN MEDICINE"

Bertrand Russell, advisor to several presidents, wrote in his book 'The Impact of Science on Society'. "At present the population of the world is increasing....War so far has had no great effect on this increase. If a Black Death could be spread throughout the world once in every generation survivors could procreate freely. Really high minded people are indiffer-

ent to suffering, especially that of others." The Black Death is thought to have killed a third to a half of the population of Europe.

"When we look at modern medicine, we truly discover the depth of depravity of the so called 'Illuminated Ones' behind this New World Order. Not only are they culling the 'herd' mercilessly with increasingly toxic food, water, air, and medicine, they are deliberately using pharmaceutical medicines to make us sick, so as to make money out of 'treating' our illnesses before we succumb, while actively suppressing real, proven natural cures.

In fact, the pharma cartel has virtual control over every aspect of health care, despite thousands of peer-reviewed studies showing that, as double Laureate Dr. Linus Pauling stated, **every disease can be traced to a nutritional deficiency.**

There is much evidence of their goal of aggressive depopulation. From the proven toxicity of literally all pharmaceutical products, to the mustard-gas and radiation based 'treatments' for cancer, to the scandal of FDA-approved Aspartame (one of the best ant-killers on the shelf) being foisted on dieters and diabetics alike, no other conclusion can be drawn.

By far their most effective depopulation tool for over 150 years has been vaccination. Following a concerted effort to establish control over the practice of medicine they have created a perpetually sickened crop of humans who can be used to produce incalculable wealth from contrived illnesses. All this while hiding the truth about what keeps us healthy, and can heal us of just about anything: proper nutrition." Dee Nicholson - '*Depopulation by Medicine*' published on the Internet.

## THE WATER CURE

Dr Batmanghelidj in books like '*Water Cures. Drugs Kill*' and 'Your Body's Many Cries For Water' demonstrates that a lack of water is the principal cause of most disease, body ailments, pain and distress. He writes "There is a medical breakthrough that is not reaching the public through our medical schools or health maintenance organisations: the

discovery that chronic unintentional dehydration is the primary cause of pain and disease in the human body. including cancer." He further states that the reason the amazing curative properties of ordinary water are not being used to cure disease and alleviate suffering is because there is no money in it. "People will discover water as a primary medication for most of their health problems" and "all health problems will have to be viewed as `deficiency disorders', with water at the top of the list of the elements that need to be evaluated." His book `Water Cures' is full of personal testimonials of people who have got better and recovered from a whole range of medical conditions, allergies and diseases simply by drinking 8 glasses of water a day and taking a little natural sea salt. From Asthma, Arthritis and Angina to Blood Pressure, Depression, Osteoporosis and Ulcers thousands have been helped and many cured simply by drinking more water. Why not give it a try?

Recently, I read a sad story of a little boy who suffered terribly from asthma. After a particularly bad attack he was rushed to hospital where they kept him in for several days. He was later returned home and his mother told to give him steroids. In spite of his mother's frantic efforts to resuscitate him after another attack he died. Just a glass of water and a little salt on his tongue might have stopped the attack as it has done for many others.

Just one of many doctors who have been benefited from drinking more water wrote to Dr `Batman`. "***I now realise people are sick because they aren't drinking enough water or they are eating too much sugar. I have never felt better or looked better in my whole life and I'm 43 years old. I now drink 3 quarts of water a day . . . who knows how much disease could be prevented if this simple remedy alone was followed.***"
